

AA Kimandi

Kirinyaga

Kirinyaga is well known as one of the best coffee producing regions of Kenya. Grown on the picturesque slopes of Mount Kenya, coffee plantations have been cultivated over generations and 72% of producers are smallholder farmers.

These smallholder farms are organized in Cooperative Societies and each has their own wet mill.

Kimandi is one of the 11 washing stations (Kiangombe, Karinga, Konyu, Karani, Kaboyo, Mukure, Mukengeria, Kimandi, Kathata, Kiangothe, Kiamiciri) that supply the Kiangombe factory.

The Cup: 82.25 pts.

Lemon, floral, lime.
