Embu AA

On the slopes of Mount Kenya National Park is located the colourful Gichugu village. Gichugu is formed by 11 small independent estates.

This specific microlot comes from 11 admirable farmers, James Gavoki (Kid Estate), Dickson Mugo (Dimu Estate), Ajerica Muthoni (Josema Estate), Cicilia Wanjiku (Faith Estate), Ibrahim Njuki (Gakutha Estate), Danson N. (Kathaka Estate), Mesheck Gachoki (Kamaruana Estate), George Kairu (Tighuku Estate), Kiberenge Muringa (Kiaguti Estate), Peter Gichuru (Gichukuru Estate) and Julius Muriithi (Alimu Estate). They are all neighbours, located within Gichugu village, close to the borders of Kirinyaga and Embu counties. It is the mix of their different personalities what makes this coffee unique.
