

GREEN COFFEE INNOVATION

# Sedecha Limu

G1

This washed Limu comes from the picturesque district of Goma, Agaro on the western highlands of the Oromia region in Ethiopia.

Limu coffees are considered one of the best coffees in the world. This lot has grown in between 1,800 and 2,000 meters above sea level which shows remarkable flavors when roasting.

Sedecha Cooperative is one of the biggest with 785 active members.

## **The Cup: 87.75 pts.**

Blossom, floral, lemon, candy, soft acidity, mid-low body, balanced and clean.
